DEPARTMENT OF JUSTICE

Antitrust Division

United States of America vs. The Thomson Corporation and West Publishing Company; Proposed Final Judgment and Competitive Impact Statement

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)-(h), that a proposed Final Judgment, Stipulation, and Competitive Impact Statement have

been filed with the United States District Court for the District of Columbia in *United States vs. The Thomson Corporation and West Publishing Company*, Civ. Action No. 96-1415. The proposed Final Judgment is subject to approval by the Court after the expiration of the statutory 60-day public comment period and compliance with the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)-(h).

On June 19, 1996, the United States filed a Complaint seeking to enjoin a transaction in which The Thomson Corporation ("Thomson") agreed to acquire West Publishing Company ("West"). Thomson and West are two of the country's largest publishers of law books and legal research materials. Thomson and West publish numerous competing legal publications, including the only two annotated United States Codes and the only two enhanced U.S. Supreme Court reporters. The Complaint alleged that the proposed acquisition would substantially lessen competition in the market for legal publications in violation of section 7 of the Clayton Act, 15 U.S.C. 18, and Section 1 of the Sherman Antitrust Act, 15 U.S.C. 1.

The proposed Final Judgment orders defendants to divest 51 legal publications to one or more purchasers who have the ability effectively to compete in the market for legal publications. To insure that each divested product will be sold as a viable, ongoing line of business, Thomson is required to divest related production assets in addition to its rights to publication titles, and to allow the purchaser to seek to hire employees who have been working on the products. The defendants are also required to license openly the right to use the pagination of individual pages in West's National Reporter System to any interested third party for a fee. Thomson is also to grant to Lexis-Nexis options to extend for five years its current licenses for the three important non-legal databases: Investext, ASAP, and Precasts. In addition, Thomson is required to allow the state of California, Washington and Wisconsin to reopen the bidding for contracts presently held by Thomson for the publication of their respective official state case law reporters. In the event any of these states choose another official reporter, Thomson is required to divest its assets related to its current contract and to divest its associated state digest.

A Competitive Impact Statement filed by the United States describes the Complaint, the proposed Final Judgment, and remedies available to private litigants.
